## INSTRUCTIONS

1. Use a fan brush to apply 3 coats of Fresh Heather to the outside of the mug. Allow the mug to dry.
2. Paint the inside of the mug with 3 coats of Lemon Mist.
3. Use the NCR pattern to trace on the dog pattern by pressing firmly with a pen as you trace over the design.
4. Use a detail brush to fill in the center of the ears with 3 coats of Chiffon.
5. Fill in the white spot in the center of the face with 3 coats of Snowflake.
6. Fill in the remainder of the dog with 3 coats of Passionate Plum, working around the eyes.
7. Use a detail brush to add a black dot to the center of the eyes, leaving a ring of blank space around them.
8. Fill in the nose with 2 coats of Licorice
9. With a marker, sketch out your desired words. We used "dog mom".
10. Paint in the words with 2 coats of Olive You.
11. Outline the dog with a messy broken outline using Licorice. Water the Licorice down with 50% water to 50% paint.
12. Paint the handle with 3 coats of Olive You.
13. Finally, dip the handle of the detail brush into Snowflake and add a highlight to each eye.

## TIPS

- When using a detail brush, the harder you press on the brush the heavier the lines will be.
- 3 coats of paint will give you a solid color.
- The marker will burn off completely in the firing process.
